

State (e.g., Department of Human Resources, Mental Health, Retardation, Social Services, etc.) before the execution of the initial housing voucher contract. This approval must be reexamined periodically based on a schedule established by the State. To assure that facilities and the supportive services are appropriate to the needs of the occupants, the State must also approve the written service agreement (or lease, if the provider of services is the lessor) for each independent group residence.

**§ 887.469 Independent group residences: Payment standard.**

The payment standard for a participant in an IGR is determined by dividing the dollar amount of the payment standard for the entire residence (for example, the 4-bedroom payment standard for a 4-bedroom residence) by the total number of potential occupants (assisted or unassisted), excluding a resident assistant (if any) occupying no more than one bedroom.

**§ 887.471 Manufactured homes: Definition.**

A “manufactured home” is a structure, with or without a permanent foundation, that is built on a permanent chassis, is designed for use as a principal place of residence, and meets the housing quality standards in § 887.473.

**§ 887.473 Manufactured homes: Housing quality standards.**

(a) *Performance requirement.* In addition to meeting the housing quality standards in § 887.251, a manufactured home unit must:

- (1) Be equipped with at least one smoke detector in working condition; and
- (2) Must be placed on the site in a stable manner and be free from hazards such as sliding or wind damage.

(b) *Acceptability criteria.* A manufactured home must be securely anchored by a tie-down device that distributes and transforms the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding.

**§ 887.481 Single room occupancy (SRO): Definition.**

“Single room occupancy housing” means a unit that contains no sanitary facilities or food preparation facilities, or contains one but not both types of facilities (as those facilities are defined in 887.251 (a) and (b), that is suitable for occupancy by an eligible individual capable of independent living.

**§ 887.483 Single room occupancy: Additional eligibility criteria.**

Elderly, handicapped, and disabled persons may use SRO housing only if the following conditions exist:

(a) The property is located in an area in which there is significant demand for SRO units, as determined by the HUD Field Office;

(b) The PHA and the unit of general local government in which the property is located approve the use of SRO units for this purpose; and

(c) The unit of general local government and the local PHA certify to HUD that the property meets applicable local health and safety standards for SRO housing.

**§ 887.485 Single room occupancy: Housing quality standards.**

The housing quality standards in § 887.251 apply to SROs, except 887.251 (a), (b), and (c). In addition, the following performance requirements apply:

(a) Each SRO unit may be occupied by no more than one person.

(b) Exterior doors and windows accessible from outside the SRO unit must be lockable.

(c) Sanitary facilities, space and security characteristics must meet local code standards for single room occupancy housing. In the absence of applicable local code standards, the requirements for habitable rooms used for living and sleeping purposes contained in the American Public Health Association's Recommended Housing Maintenance and Occupancy Ordinance shall be used.

**§ 887.487 Single room occupancy: Payment standard.**

(a) The payment standard amount for SRO units is equal to 75 percent of the Section 8 Existing Housing 0-bedroom
